Day 1

Your guide will meet you this morning at your hotel to start your tour to the beautiful Northern Beaches. Travelling out of the city head North, crossing the Sydney Harbour Bridge before continuing through Sydney's leafy suburbs. On arrival at Palm Beach, a private tender will be waiting to take you across the beautiful Pittwater and to Lilypad. Lilypad is a luxury floating pontoon located just off the coast, in the calm waters of Pittwater. On arrival you will be introduced to your personal wait staff who will take care of your every need today. Lilypad features a fully stocked fridge and pantry, so sit back, relax in your luxurious and enjoy the stunning views on the front deck. Or you may choose to swim or snorkel or maybe try a Stand Up Paddle. The choice is yours.

Lunch today will be cooked by your private chef. Enjoy a traditional Australian Barbecue with all the trimmings, cooked to your liking and to perfection.

Spend the afternoon exploring the local area including secluded beaches and hidden coves. Later return to Lilypad for a shower and to get ready for an amazing evening. Experience watching the sun set across Pittwater while you enjoy a refreshing drink. Meanwhile your private chef will be preparing an incredible dining experience just for you. Enjoy this sumptuous feast sitting under the stars. A truly iconic Australian Experience.

Later enjoy the serenity of your surrounds before retiring to your bedroom.

Day 2

Pittwater, the Hawkesbury River and nearby Broken Bay are considered a fishing paradise, dotted by isolated, pristine beaches along their shores.

Today we have arranged for one of Australia's most experienced fly fishing guides to meet you to take you on an amazing adventure. Your private fishing guide will arrive early this morning at 6.30am. Pulling up alongside Lilypad, board your 6 meter executive appointed vessel before whisking away to the best nearby fishing spots. The area boasts over 500 different species of fish with the most common catches being very big kingfish, jewfish, trevally, bream, big flathead, leatherjackets and plenty more.

This very exclusive morning includes high quality fishing equipment, expert tuition and bottled water and snacks. Apart from the fishing, the views are also stunning. Dramatic sandstone cliffs give way to lush eucalypt forests.

Return back to Lilypad in time for lunch. Your catch can be cleaned and cooked for you if you like.

Spend the rest of the day relaxing and enjoying your surrounds before another chef prepared meal this evening.

Day 3

Enjoy a casual breakfast on the deck this morning overlooking Pittwater. Your tender will arrive just before 11am to transfer you to your waiting vehicle and private guide. Continue your journey along the scenic Northern Beaches to Manly. Here you will have some time to mingle with the locals, walk along the promenade to take in the atmosphere and enjoy lunch at a local café.

Time permitting; take a walk along North Head for amazing views of Sydney Harbour, before your guide returns you to the city by around 4pm.
