Inclusions: *Highly qualified and knowledgeable guide, travel in luxury air-conditioned vehicles, accommodation at Mt Mulligan Lodge for one night, morning tea and lunch both days, breakfast and dinner on day two including selected bar, onsite activities, private helicopter fishing experience day two, pick up and drop off, comprehensive commentary.*

Day 1

Your guide will meet you at your hotel this morning to begin your adventure to the stunning Mt Mulligan, a scenic 3 hours drive through the Cairns Hinterland. Pass by lush rainforests as you climb the escarpment, travelling through small towns along the way. Stop enroute for some morning tea. Continue on as the rainforest slowly turns into the dry outback.

Mt Mulligan Lodge is located 150 kilometers north west of Cairns in the Queensland Outback. The expansive property is a currently a working cattle station and features beautiful sandstone outcrops along its escarpment overlooking a stunning natural weir. Mt Mulligan only hosts a maximum of 16 guests at one time.

On arrival at the Lodge, guests will be met by the friendly staff to be checked in. Mt Mulligan is a full service stay so all meals are included. Lunch today will be on the outside deck overlooking the weir.

The afternoon is then yours to enjoy. After checking into your classic outback accommodation you have a raft of activities to choose from this afternoon. You may want to explore the property on ATV. Or discover local wildlife and birdlife with an expert. Maybe explore the ruins of the nearby old gold mining town and learn about the history of the area. You can even try your hand at mustering cattle. Or you may just choose to relax and enjoy the incredible surrounds. Settle in and relax. Later in the evening enjoy a superb dinner prepared by My Mulligan's in-house chef featuring fresh local produce. And then later in the evening you may want to join in some star gazing with the in-house astronomer, or just relax around the blazing outback camp fire.

Day 2

Your helicopter will arrive early this morning to pick you up from Mt Mulligans Heli Pad. We have planned an amazing outback fishing experience for you today. The Mitchell River is in wild, rugged country, a true reflection of Australia's outback. It connects upland rainforests in the wet tropics through to tropical savanna landscapes and drains into the Gulf of Carpentaria. The highly seasonal flows provide critical habitats for fish species including barramundi and sooty grunter. The river flows through country covered with wild scrub, and crocodiles abound along its banks. This morning you will fly by helicopter and land on the banks of this mighty river to fish with a private fishing guide. On arrival at the Mitchell River enjoy some morning tea of coffee and pastries while your guide gets all of your gear ready. Your guide will traverse along the banks of the river to find that perfect spot for you to cast a line. For the next hour enjoy this amazing experience. Our next stop is the Walsh River. The Walsh River is located in a very remote pristine outback environment, seldom visited by humans. The fish are plentiful and the surroundings breathtaking. Your guide will again pick out the best spot to cast a line. This river is renowned for the legendary Barramundi.

Later reboard your heli for the scenic flight back to Mt Mulligan, arriving in time for a late lunch. The afternoon is yours to relax and enjoy the onsite activities before another legendary dinner tonight under the outback stars.

Day 3

Enjoy a leisurely start to your day this morning and a relaxing breakfast. Your private driver will arrive at 10am this morning to transfer you back to Cairns, arriving at around 1pm.
