## Day Two

Your guide will meet you after breakfast this morning to tour the South Coast of Kangaroo Island.

Make your way into the Flinders Chase National Park and explore the Remarkable Rocks, Cape De Couedic and Admirals Arch. The south coast has many weather-worn natural structures and has become home to large sea lion colonies. Enjoy a gourmet picnic lunch featuring fresh local KI produce and wines.

After lunch, head off on a guided walk to Seal Bay. Later in the afternoon there is an opportunity to do shopping at some of the Island's local producers. First stop, Emu Ridge Eucalyptus distillery. An old farming industry where gum leaves are processed to extract the eucalyptus oil for medicines, soaps, skin lotions and more. Next is Clifford's Honey Farm, which is home to the purest strain of the Ligurian bee. Here you can buy fine honey and other products, which is produced from the Island's diverse flora.

## Day Three

Today is yours to continue exploring the Island or relax at your accommodation.

#### **Day Four**

After breakfast, your guide will meet you at your accommodation before making our way back to the ferry and to Adelaide.

Arriving back on the mainland, continue onto the stunning McLaren Vale wine region. The area is nestled between the sea and hills located on the Fleurieu Peninsula with an abundance of premium vineyards and olive groves.

Enjoy lunch today at a local winery restaurant. Relish a two-course meal featuring local delights and beverages. Sit back, relax and enjoy your surrounds. After lunch, we make our way to Kay Brothers winery to sample full-bodied wines, such as grenache and Shiraz, which has been integral at making McLaren Vale the popular wine producer of its class. Continue to explore the local area before concluding with afternoon tea at one of the many charming local cafés where you will experience McLaren Vales popular artistic culture.

Afterwards reboard your vehicle and head back to nearby Adelaide, arriving at around 5.30pm.
